Twenty Years of the Cas- cade Two Cylinder Club

*"Promoting the collecting, restoration, preser-
vation, and exhibition of John Deere tractors
and equipment"*

The Beginning

It hardly seems possible that the first official meeting of the Cascade Two Cylinder Club happened just twenty years ago on February 25, 1993 at the Sedro Woolley Museum. With the help of Jay Fryman from the Two Cylinder Club, Ray Vandingham and local collectors Paul Hieb, Bob Harrison and Willis Mills, the club was off to a grand start. The Club boasted 50 plus charter members that first year representing North Puget Sound and Southern British Columbia. The first officers included an enthusiastic President Paul Hieb, Vice President Jerry Senner, Secretary Morrie Robinson (who also served as the first newsletter editor), and Treasurer Tom Jensen. Board members included Lloyd Kincade, Merlin Granberg, Tony Splane, Norm teSelle, Ray Riggles, Curtis Johnson, Alerd Johnson and Addy Johnson.

The Devil and the Details

Perhaps the greatest decision the group had to resolve was to be "loose knit" or the extreme of being "fully organized". The loose knit philosophy won out as long as the group had insurance and was legal in the eyes of Washington State. A major guiding light for the new group was Ray Vanlandingham who had positive experience forming a John Deere Club in Southern Washington. Ray explained the pitfalls of a club owning equipment and the importance of a newsletter in communicating with the membership. Fortunately, our founding fathers listened to Ray and the club doesn't own any major equipment which needs constant maintenance. A newsletter and web page was developed to communicate with the membership. Morrie Robinson was another valuable resource in sharing his wealth of experience and involvement with the local Branch 26 small engine club.

Showing Off the Green and Yellow

What good is collecting and restoring green and yellow iron (Deere engineering marvels) if you can't show it off to your buddies and the public! Many members were already displaying their treasurers at the Lynden summer Puget Sound Antique Tractor & Machinery Association show but wanted their very own show. Ah ha! Why not start their very own spring plow day? The very first annual spring plow day was successfully conducted in 1994 at the Ron Knutsen farm next to I-5 Burlington. They even had freeway traffic pulling off on the shoulder to watch the 23 acres of dirt fly. Enthusiasm ran rampant and a fall plow day was added in 1995. That year also provided the club with the first North West Two Cylinder EXPO in Chehalis, Washington. The club had a good showing with over twenty tractors in the exclusive northwest John Deere event. Some of our members made us proud in the tractor pull and slow race. North West Two Cylinder EXPO was such a success that the event continued every two years from 1995 to 2007. And then there was the 1999 National Two Cylinder Club EXPO held in Missoula, Montana. Nine club tractors were present and nearly two dozen members attended. Ken Langel was a crowd pleaser when he started up the Waterloo Boy. A member hasn't exhibited since until the summer of 2002 when Paul Hieb and Allan Brinson hauled Paul's rare 1947 BWH to EXPO XII in Waterloo, Iowa. Way to go Paul! 2001 was the year of the John Deere at the Lynden P.S.A.T. &M.A. summer show. Tom Jensen was nominated show director and replicated a "30 years of the "D" display. 190 beautiful Deeres were exhibited. And then there are the local parades! Lynden Farmer's Day, Burlington Berry Dairy Days, Sedro Woolley Logger Rodeo parade, and the Arlington Forth of July parade. The Governor's Trophy and Best of Division are some the awards won by our parade participants.

You Can't Celebrate without Food

The Cascade Two Cylinder Club annual holiday potluck started in 1995 at the Alger Community Center. Like with many things, when you have good food and good talk the event grows and grows until you've outgrown your hall. In December 1998 the holiday potluck was moved to the Bay View Community Center where the club

President's Message

Our plow day turned out real well after the weather dried out the field. We plowed about 100 acres and everyone had a good time. June 22nd we will finish the second half of our shop tour. We will meet at the Fair Way café in Lynden at 11:30 for lunch and then cross the border into Canada to see a big John Deere collection. You will need an enhanced drivers license or a passport. Two parades are coming up on the 4th of July. Bring a tractor out and show it off. Our summer caravan is July 20th. We will start from Marlin Knutson's shop Bow, WA. Come about 9 a.m. Our club has been invited to Brooks, OR on July 28-29 for the dedication of Oregon Two Cylinder Club's new John Deere building. We plan to take tractors. Call me if you can go. It is a great show. See you in the sun,
 Paul Hieb, President

(Continued from page 1, 20 years of C2CC)

has had up to 130 people plus in attendance. Besides good food, the club sponsored a big raffle, door prizes and entertainment by professional musicians. One member says that the annual club dues are worth just the holiday potluck dinner.

Who Are We Now?

The Cascade Two Cylinder Club has grown from 50 charter members in 1993 to over 180 members in 2003 and about the same number in 2013. Membership ranges from as far north as British Columbia to as far south as California. The majority of the members hail from Whatcom, Skagit, Snohomish, San Juan and Island counties. The membership owns in excess of 300 two cylinder John Deere tractors and various antiques implements. Tractors are exhibited at the Branch 26 Mid Winter Gas Up, P.S.A.T.&M.A summer show, Anacortes Antique Engine & Machine Show and the local John Deere Day. Parades include the Lynden Farmers Day Parade, Burlington Berry Dairy Day Parade, Sedro Woolley Logger Rodeo Parade, Arlington Parade and the Stanwood Parade. The club has been helping Oscar and Nels Lagerlund with the Bellville Threshing show for ten years. This has been a great hands on use of our tractors. Other special events include a group of club members who attend the Gathering of the Green in Daventryport, Iowa every other year. In the last several years a group of club RVers have been traveling to the mid west to attend the really large antique tractor and machinery shows such as the Rollag show in Minnesota and the Old Trusty Antique & Collector Show in Nebraska. Unfortunately the guys from Chehalis got burned out and after seven shows, the Chehalis Northwest EXPOs no longer exists. In 2010 the C2CC group

sponsored an EXPO VIII which was coordinated with the PSAT&MA John Deere featured tractor. Show chairmen were Greg Greenfield, Paul Hieb and Alerd Johnson. Shop tours started in 2002 and have ranged from Forks, Washington to lower British Columbia. A huge club accomplishment was the John Deere Museum constructed at the PSAT&MA show grounds. The project was started in 2007 and completed in 2008. Credit goes to Jim Galen, Fred Polinder, Paul Hieb and the officers and board members for making this project happen. The first tractor caravan was held in the summer of 2003 and toured the Skagit county back roads concluding with a barbeque. The caravans have continued every year since with tours of Whatcom, Skagit and Lopez Island. The Lopez Island tours are the most popular and are scheduled every other year thanks to Island members Jim Smith, Bob Burt and Ken Rose. Riding the Washington State Ferry with a tractor is really exciting! The club newsletter is published five times a year and a web page (www.C2CC.org) has been established. A featured club member is included in most editions and 59 members have been covered to date. We purposely do not report deceased members in our newsletters but Tom Jenson has organized a memorial plaque at the John Deere building in Lynden. This is our permanent way of honoring our members who have passed on. A membership directory including tractors is published each year and available to members on request. Our plan for the current year is to organize a restoration vender list of services available in Northwest Washington. Members Ken Langel, Tom Jensen, Bill McEnery, Bob Folk and C2CC events has been featured in the Green Magazine. Norm teSelle has been recognized in the Two Cylinder Magazine. The club has been featured in the Green Magazine with our John Deere museum and Lopez Island caravan. A spring plow day is conducted in Skagit County each year plowing as much as 100 acres. General membership meetings are conducted four times a year including popular

2013 CTCC Summer Caravan

Come Celebrate our 20th C2CC Anniversary!

Allen & Edison Area

Saturday, July 20, 2013

Family invited, several trailers available for riding

Tractor needs to have operational brakes and travel 8 m.p.h. plus*

Safety triangle recommended

Rain or Shine!

9:00 a.m. Arrive at Marlen and Audrey Knutson's 13934 Bisquet Ridge Lane, Bow, WA 98232 for coffee and cookies.

10:00 Depart from Knutson's for 2 hour tour of Allen and Edison agriculture

Noon to 1:00 Dinner at Knutson's (If you can't attend the caravan ride, plan to participate in the noon potluck dinner and 20 years of the Cascade Two Cylinder Club celebration!)

2:00 p.m. Video presentation of 20 years of the Cascade Two Cylinder Club

You need to bring: chair(dinner), desert or salad potluck item and cooler

Club will provide: bottled water and juice for caravan. Ham, baked beans and potato salad for potluck dinner

Directions to Knutson Home: Take Highway 20 west from Burlington and turn north on Farm to Market Road. Travel 4.3 miles to Bisquet Lane and turn left. You are now a "stone's throw" from 13934 Bisquet Lane.

Membership Dues

\$15/Year

Please note!

Please send your 2013 dues to **Tom Jensen, 202 Rainbow Drive, Burlington, WA 98233** or bring the money to the next meeting.

**Separating the Chaff from the Grain****Oregon Two-Cylinder Club Planning Special Summer Events**

The Oregon Two-Cylinder Club is planning a special celebration July 27th– 28 and August 3rd– 4th 2013 to recognize the dedication of the Oregon John Deere Museum and the 25th anniversary of the club. Special events will include seminars, special tractors, quilt show and a banquet July 28th. John Deere is the featured tractor of the Antique Powerland show for 2013 and the club will be highlighting the Model A John Deere. The Cascade 2 Cylinder Club has been formally invited to participate in the July 28 and 29 weekend to avoid the conflict with 2013 PSAT&MA show July 31 thru August 3. The Antique Powerland show is located near Brooks, Oregon and is next to the I-5 freeway. The Antique Powerland show is the largest antique tractor and machinery show in the Northwest. Contact Paul Hieb for details. 360-856-6210. The Oregon Two-Cylinder Club web site is otcc.com.

Please Note!**C2CC Event Insurance Clarification**

The Cascade Two Cylinder Club has liability insurance that covers our members at **approved**(sanctioned) events such as parades, shows and our caravan. The club events listed on page 6 of this newsletter are official C2CC insured events. **This insurance does not cover you and your tractor traveling to and from the event.** For the club activity to be insured, our treasurer, Tom Jensen must notify our insurance agent of the event, date and location. Most events require a letter from our insurance agent verifying insurance coverage for our members and tractors at the event. If you wish to be insured at an event not listed please contact Tom Jensen or Paul Hieb. .

*Meeting Minutes***Cascade Two Cylinder Club****General Meeting****April 27, 2013****Washington Tractor, Lynden, WA**

Regular meeting held April, 2013 at Washington Tractor. **Meeting called to order** at 10:24 AM by Paul Hieb pres. Paul welcomed all those present.

Minutes of previous meetings read and approved.

Treasurers Report: \$5060.64 New member Gary Holt from Ferndale was introduced. He currently has 38 model John Deeres. **Old Business:** Thanks to Larry Mc Phail for shop tour on April 6. Good collection of John Deeres, trucks and Corvette. Logging equipment was special.

Paul mentioned we are working on a list of tractor restoration service providers. We need names of businesses and people in the area that repair or recondition our equipment. The 30th annual Gas Up was featured at the Cascade Mall April 20. 13 John Deeres were present.

Weather was moderate. Brass medallions were given to participants. **New Business:** Plow day is scheduled for May 11 if the weather is agreeable. Contact Phil or Paul for details. Alerd will email information when available. Parade will start on June 1 in Lynden followed by the Berry Dairy Day in Burlington June 15. Parades in Sedro Woolley on July 4 and also in Arlington. Caravan schedule for July 20th, starting and ending at Marlen and Audrey Knutson's near Bow. Plans to celebrate the 25th anniversary of the C2CClub. Paul encourages people to attend the Oregon Two Cylinder Club dedication on July 27 & 28 near Brooks, Oregon. Camping area available and a special banquet Saturday evening. **Presentation:** John Maas gave a presentation on the repair of DLTX and duplex Marvel Schebler carburetors. **Meeting Adjourned** 11:35 AM

Alerd Johnson for Ray Riggles, Sec. Raffle followed meeting.

(Continued from page 2, 20 Years of C2CC)

raffle and technical sessions. The annual Holiday Potluck and General meeting is the best attended meeting with over 130 people in attendance. Current leadership includes: Paul Hieb, President; Loren Dahl, Vice President; Ray Riggles, Secretary; Tom Jensen, Treasurer; Directors: Norm teSelle, Greg Greenfield, Alerd Johnson, Phil Smoots, Gary Friend, Van Osborne and Jeff Cowles. Curtis Johnson is web master and general technical advisor. Yes, we are alive and well after 20 years of antique Deere fun! A tip of the green and yellow cap to twenty great years of the Cascade Two Cylinder Club.
