"If you've heard this story before, don't stop me, because I'd like to hear it again." ~ Groucho Marx

Congratulations to Jim Grove for winning the Two Cylinder Magazine Pickle Jar contest. Jim's picture and tractors are featured in the May-June 2017 issue. Jim receives over \$550 of John Deere Day DVDs

"The ease of starting a hand start tractor depends on the number of people watching... the fewer the better!"

100 Year Anniversary 2017 Washington Tractor—Lynden (North Washington Implement) August 2-5

The emphasis at the PSAT&MA August show will be John Deere tractors and implements sold by the local dealerships in Whatcom and Skagit county. We had 35 members parade their John Deeres in the Lynden Farmers Day Parade and we hope to continue the enthusiasm at the August

show.

If you need help hauling your John Deere to the Lynden show grounds please let one of our club officers know.

Show exhibitors are expected to pay PSAT&MA \$20 dues to participate in the four day show. This is for insurance purposes. One day exhibitors can pay \$10. Trucks and trailers will enter at the south gate near the John Deere building. Due to the volume of exhibitors please unload and move your truck and trailer as soon as possible and park in the free show parking area west of Berthusen's Park. A shuttle will transport you to the show grounds. Berthusen's Park RV camping is available next to the show grounds but fills up quickly. Most members dry camp in the private Mayberry field east of the show grounds.

On Tuesday, August 1, Washington Tractor will sponsor a potluck dinner at the PSAT&MA show grounds for all retired and current Washington Tractor employees, PSAT&MA and C2CC exhibitors. The potluck will be in the food court starting at 5:30.

All Deeres are encouraged to be exhibited regardless of year, dealership or condition. We want to have as many John Deere products exhibited as possible. Special 100th anniversary hats will be sold at the PSAT&A John Deere show grounds building. Washington Tractor is planning to sell John Deere toys and memorabilia at the C2CC building.

We are looking for a few members to donate four hours of time to assist with one of the show activities. If you can help during the four show days please contact one of the club officers or board members.

We started the summer parade season at the Farmers Day Parade in Lynden with 35 tractors and first place in original and restored tractors. Then on to John Deere Day at Washington Tractor that is 100 years old this year. What a great day for everyone. Get ready for Burlington Berry Dairy Days parade on June 17. Call Loren Dahl (360) 540-0771. Then there is the 4th of July parades in Sedro-Woolley, La Conner and Arlington. Any questions give me a call. On July 8th is our annual tractor caravan starting at Engle Farms, Coupeville. Club will provide meat, salad, beans and drinks for lunch. Participants will provide side dishes, plates, flatware and chairs. Wagons will be provided for riders. Tractors should be able to travel 8 mph, have good brakes and have a slow moving sign on the back.. We will leave the Farm House Restaurant at 8:00 am. Contact Tom Jensen (360) 661-0634. This year the Lynden show featured tractor is John Deere so bring out all your tractors and implements so we can fill the south field. If you need your tractor hauled, call me or someone in the club. We could use some volunteers around the John Deere building at the show. See you at the parades and show. Paul Hieb, President
